GENERAL INSTRUCTIONS TO Trustees, Teachers and Inspectors

(1) The Register, after being filled up, must be retained by the School Board to be forwarded to the Inspector for examination if so requested.

(2) The Teacher shall, without extra remuneration, aid the Trustees in furnishing the information required in this Register.

(3) The aggregate attendance for each month in the year must be carried forward and entered in its proper place in the Summary of Attendance on the perforated sheets at the end of the Register, then detached and forwarded promptly with the Annual Report to the Inspector. The inspector will divide the aggregate attendance by the number of legal teaching days, and thus determine the average attendance.

(5) The Trustees must transmit the Reports to the Inspector immediately after the first Wednesday in January, signed by a majority of the Trustees and the Teacher, or Teachers, and attested by the Corporate Seal. The Minutes of the Annual Meeting should be forwarded to the Inspector on or before the 31st December.

(6) The Inspector is required by law to make *apportionment* of the School Fund to all the Public Schools under his jurisdiction, whether entitled to it or not; but he cannot lawfully pay any portion of the Fund to a Section whose Trustees and Teachers have not complied with the requirements of the law. Cheques for School Moneys due a Section are payable to the order of the Trustees of the School Section. Schools using unauthorized text-books cannot be paid any part of the Legislative School Grant.

(7) In the case of R. C. Separate Schools, the Department of Education supplies forms for the yearly report.

ACT FOR THE PROTECTION OF INSECTIVOROUS AND OTHER BIRDS.

Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. Nothing in this Act contained shall be held to affect *The Ontario Game Protection Act* or to apply to any bird or birds generally known as cage birds, or to any bird or birds generally known as poultry. 52 V. c. 50, s. 1.

2.—(1) Except as in section 6 of this Act provided, it shall not be lawful to shoot, destroy, wound, catch, net, snare, poison, drug, or otherwise kill or injure, or to attempt to shoot, destroy, wound, catch, net, snare, poison, drug or otherwise kill or injure any wild native birds other than hawks, crows, blackbirds, and English sparrows, and the birds specially mentioned in *The Ontario Game Protection Act*.

(2) Any person may, during the fruit season, for the purpose of protecting his fruit from the attacks of such birds, shoot or destroy, on his own premises, the bird known as the robin without being liable to any penalty under this Act.

3. Except as in section 6 of this Act provided it shall not be lawful to take, capture, expose for sale or have in possession any bird whatsoever, save the kinds hereinbefore or hereinafter excepted; or to set, wholly or in part, any net, trap, spring, snare, cage, or other machine or engine, by which any other bird whatsoever save and except hawks, crows, blackbirds, and English sparrows, might be killed and captured, and any net, trap, spring, snare, cage, or other machine or engine, set either wholly or in part for the purpose of either capturing or killing any bird or birds, save and except hawks, crows, blackbirds and English sparrows, may be destroyed by any person without such person incurring any liability therefor. 52 V. c. 50, s. 3.

4. Save as in section 6 of this Act provided, it shall not be lawful to take, injure, destroy or have in possession any nest, young or eggs of any bird whatsoever, except of hawks, crows, blackbirds and English sparrows. 52 V. c. 50, s. 4.

5. Any person may seize, on view, any bird unlawfully possessed, and carry the same before any Justice of the Peace, to be by him confiscated, and if alive to be liberated, and it shall be the duty of all market clerks and policemen or constables, on the spot to seize and confiscate, and if alive, to liberate such birds. 52 V. c. 50, s. 5.

6. The Chief Game Warden for the time being under *The Ontario Game Protection Act*, may, on receiving from any ornithologist, or student of ornithology, or biologist, or student of biology, an application and recommendation, according to the Forms A and B in the Schedule, grant to such applicant a permit, according to Form C in said schedule, empowering the holder to collect, and to purchase or exchange all birds or eggs otherwise protected by this Act, at any time or season he may require the same for the purpose of study, without the liability to penalties imposed by this Act. 52 V. c. 50, s. 6, 56 V. c. 49, s. 26, 57 V. c. 57, s. 5.

7. The permits granted under the last preceding section shall continue in force until the end of the calendar year in which they are issued, and may be renewed at the option of the Chief Game Warden for the time being under *The Ontario Game Protection Act*. 52 V. c. 50, s. 7, 56 V. c. 49, s. 26, 67 V. c. 57, s. 5.

8.—(1) The violation of any provision of this Act shall subject the offender to the payment of not less than \$1 and not more than \$20 with costs, on summary conviction, on information or complaint before one or more Justices of the Peace.

(2) The whole of the fine shall be paid to the prosecutor, unless the convicting Justice has reason to believe that the prosecution is in collusion with and for the purpose of benefitting the accused, in which case the said Justice may order the disposal of the fines as in ordinary cases.

(3) In default of payment of the fine and costs, the offender shall be imprisoned in the nearest common gaol for a period of not less than two and not more than twenty days, at the discretion of the Justice. 52 V. c. 50, s. 8.

9. No conviction under this Act shall be quashed for any defect in the form thereof, or for any omission or informality in any summons or other proceedings under this Act so long as no substantial injustice results therefrom. 52 V. c. 50, s. 9.

RELIGIOUS INSTRUCTION

Every Public School shall be opened with the reading of the Scriptures and the Lord's Prayer, and shall be closed with the Lord's Prayer or the prayer authorized by the Department of Education; but no pupil shall be required to take part in any religious exercises objected to by his parent or guardian. In schools without suitable waiting-rooms or other similar accommodation, if the parent or guardian demands the withdrawal of a pupil while the religious exercises are being held, such demand shall be complied with and the reading of the Scriptures shall be deferred in inclement weather until the closing.

To secure the observance of the preceding regulation, the teacher, before commencing a religious exercise, shall allow the necessary interval to elapse, during which the children or wards of those, if any, who have signified their objection, may retire.

If, in virtue of his right to be absent from the religious exercises, any pupil does not enter the school-room in the morning till the close of the time allowed for religious exercises, such absence shall not be treated as an offence against the rules of the school.

When a teacher claims to have conscientious scruples in regard to opening or closing school as herein prescribed, he shall notify the Board to that effect in writing; and it shall then be the duty of the Board to make such provision as it may deem expedient for the carrying out of the requirements above.

The Scriptures shall be read daily and systematically. The parts to be read may be taken from the book of selections adopted by the Department for that purpose, or from the Bible, or from the list of the Selected Scripture Readings of the International Sunday School Association, as the Board by resolution may direct.

The Board may also order the reading of such parts by both pupils and teachers at the opening and the closing of the school, the repeating of the Ten Commandments at least once a week, and the memorization of passages selected from the Bible.

A clergyman of any denomination shall have the right, and it shall be lawful for the Board to allow him, to give religious instruction to the pupils of his own denomination, in each school-house, at least once a week, after the hour of closing the school in the afternoon.

Under the same conditions, a clergyman, selected by the clergymen of any number of denominations, shall also have the right to give religious instruction to the pupils belonging to such denominations.

If the clergymen of more than one denomination apply to give religious instruction in the same school house, the Board shall decide on what day of the week the school house shall be at the disposal of each, at the time above stated.

Emblems of a denominational character shall not be exhibited in a Public School during regular school hours.

FORMS OF PRAYER

OPENING

Let us Pray

Our Father, Who art in Heaven, Hallowed be Thy name, Thy kingdom come, Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us; and lead us not into temptation; but deliver us from evil. *Amen.*

CLOSING

Let us Pray

Most Merciful God, we yield Thee our humble and hearty thanks for Thy Fatherly care and preservation of us this day, and for the progress which Thou hast enabled us to make in useful learning; we pray Thee to imprint upon our minds whatever good instructions we have received and to bless them to the advancement of our temporal and eternal welfare; and pardon, we implore Thee, all that Thou hast seen amiss in our thoughts, words and actions. May Thy good Providence still guide and keep us during the approaching interval of rest and relaxation, so that we may be prepared to enter on the duties of the morrow with renewed vigour, both of body and mind; and preserve us, we beseech Thee, now and forever, both outwardly in our bodies, and inwardly in our souls, for the sake of Jesus Christ, Thy Son, our Lord. *Amen.*

Lighten our darkness, we beseech Thee, O Lord; and by Thy great mercy, defend us from all dangers and perils of this night, for the love of Thy only Son, our Saviour, Jesus Christ. *Amen.*

Our Father, Who art in heaven, Hallowed be Thy name, Thy Kingdom come, Thy will be done in earth as it is in Heaven; give us this day our daily bread; and forgive us our trespasses as we forgive them that trespass against us; and lead us not into temptation; but deliver us from evil. *Amen.*

The Grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us evermore. *Amen.*

SCHOOL TERMS AND ORGANIZATION

DAY SCHOOLS

Unless otherwise directed by the Board, as provided below, the pupils attending a Day School shall assemble for study at nine o'clock in the forenoon, and shall be dismissed not later than four o'clock in the afternoon.

At least one hour shall be allowed for recreation at mid-day, and ten minutes during each of the forenoon and afternoon sessions. In no case shall the hours of study be less than five hours a day, including the recesses in the forenoon and afternoon; but the Board may reduce the hours of study for the pupils in the Kindergartens and in the First and Second Forms.

NIGHT SCHOOLS

Children over fourteen years of age, who are not registered in a Day School, may attend a Night School from the 1st of October until the 31st of March.

The hours of study in the Night School shall not exceed two and a half each session. Night Schools shall be subject to the same regulations as Day Schools, with respect to the discipline of pupils, the duties and qualifications of teachers and the use of text-books.

The subjects of study shall be selected from the Course of Study for the Public Schools by the Inspector with the concurrence of the Board.

ORGANIZATION

The Kindergarten Course is optional. The rest of the Course of Study shall be taken up in five Forms as hereinafter set forth. (See Regulations and Course of Study in pamphlet form.) NOTE.—In the Course of Study, Forms I and V have been divided each into a Junior and a Senior Grade. Each of the other Forms may also be so divided, and any Grade may be divided into as many classes as the Inspector and the Principal may determine. Regularly the Course of Study in each of the Forms requires two years; but, in all the grades, pupils shall be classified by the teacher in accordance with their aptitude and attainments. Such modifications of the details of the Course as may be necessitated by local conditions may be made by the teacher, with the concurrence of the Inspector.

NOTE.—The details of the Course of Study, with the methodology thereof, are given in the Teachers' Manuals, which are being published by the Department of Education. A copy of each Manual will be supplied to every School Library. The time-table of the school shall be prepared by the teacher and approved by the Inspector. A copy of this time-table shall be kept posted in a conspicuous place in the class-room.

Pupils who have passed the Junior High School Entrance examination, and such other pupils as are considered qualified by the teacher and Inspector, shall be entitled in both rural and urban schools to receive instruction in the subjects of the Fifth Form; but in a rural section or an urban municipality having a High or Continuation School it shall not be obligatory for the Board to maintain a Fifth Form, if resident pupils of the High or Continuation School are not charged fees for the Lower School.

In lieu of establishing a Fifth Form, the Board of any rural section may arrange with the Board of a High or Continuation School which, in the opinion of the Board and the Inspector, is readily accessible, for the instruction thereof of such pupils of the section as are entitled to admittance to a High or Continuation School.

DUTIES OF PUPILS

A pupil registered in a Day or a Night School shall attend punctually and regularly. He shall be neat and cleanly in his person and habits, diligent in his studies, kind and courteous to his fellow pupils, obedient and respectful to his teacher; and he shall submit to such discipline as would be exercised by a kind, firm, and judicious parent.

A pupil on returning to school after absence shall give the teacher from the parent or guardian, orally or in writing, as may be required by the teacher, a proper reason for his absence.

A pupil may retire from school at any hour, with the consent of the teacher, or at the request, either oral or written, of his parent or guardian, provided that in the opinion of the teacher and the Board this privilege is not being abused.

A pupil shall be responsible to the teacher for his conduct on the school premises and on the way to and from school, except when accompanied by his parent or guardian or by some person appointed by such parent or guardian on his behalf.

On the report of a teacher a Board may suspend a pupil whose parent or guardian fails or neglects to provide him with the text-books or other supplies required in his course of study, or to pay the fees imposed for such purpose by the Board.

On the report of the teacher a Board may suspend a pupil who injures or destroys school property until such property destroyed is made good by the pupil or his parent or guardian.

CARE OF THE TEETH

(1) In any case where a petition is presented signed by a majority of the parents or guardians of children attending the public schools and where provision has been made, without charge, by any Dental Hospital Board for the care of the teeth of the children of parents or guardians unable to pay for the same, the Public School Board of any city, town or incorporated village may pass a resolution requiring that every pupil attending the Public Schools of such city, town or village shall be required once every six months either to produce to the teacher of the school at which such pupil attends, a certificate from a duly qualified dental surgeon stating that the teeth of such pupils are in a sound and healthy condition and do not require dental treatment, or submit to have his teeth examined by a dental inspector to be appointed as hereinafter provided.

(2) Every such School Board may by resolution appoint a duly qualified dental surgeon to be dental school inspector for such city, town or incorporated village at such salary as such School Board may see fit, and it shall be the duty of such inspector to visit the Public Schools of such city, town or incorporated village for which he is appointed every six months and to make an examination and inspection of the teeth of all Public School pupils attending such Public Schools who shall not have produced the certificate provided for in (1) preceding.

(3) It shall be the duty of every teacher of a school so visited by such dental inspector to require every pupil who has not produced the certificate provided for in (1) above to submit to such examination, and for such purpose he shall direct that such pupil shall accompany such dental inspector to the hall of such school room or other convenient part thereof apart from the other pupils, there to be so examined by such dental inspector.

(4) Such inspector upon such examination being made shall forthwith report to such teacher in writing whether the teeth of such pupil are sound and healthy or whether they require treatment by a dental surgeon.

(5) It shall be the duty of the parent or guardian of every pupil whose teeth are found to be in such condition as to injure the health of the pupil or other children attending the school to have the teeth of such pupil properly treated forthwith by a dental surgeon and no such pupil shall be permitted to attend such school until he has produced a certificate to the teacher from a dental surgeon stating that the teeth of such pupil have been properly treated and cared for.
